DELHI REGIONAL OLYMPICS 2017
Over 200 students from nearly 23 schools across Delhi participated in the competition for both the categories. The event was supported by Industry volunteers from Maruti Suzuki India Ltd. and over 80 University volunteers from IGDTU, DTU, KIET, IPEC and Jamia Millia Islamia.
With the auspicious tradition of inauguration lamp lighting by Mr. Alok Jaitley, Mr. Rakesh Sood, Mr. Anup Kacker, Mr. Sanjay Gupta and other dignitaries, the AWIM Regional Olympics was declared open. It was followed by an enthusiastic opening speech by Mr. Alok Jaitley, Mr. Rakesh Sood, Mr. Anup Kacker. Ms. Prachi from IGDTUW. Mr. Sarthak from Jamia Milia and Mr. Juzar Malik, industry volunteer and managed to pump up the myriad of emotions in the students as well as teachers.
Soon after the welcome speech by dignitaries, the fabrication round were embarked upon. The teams had to fabricate their vehicles magnificently and perform testing in the given specified time. The teams also had to do the preparation of Presentation charts and aesthetic models of their Jettoy/Skimmer through which they were supposed to represent the unique special features of their vehicle and the reason why it stands out from the vehicles of present age, to the judges.

While the students were busy with the preparation of track and presentation rounds, the teachers were occupied with the task of making a fish and fan with a paper. The teachers put their thinking caps on and did best of their efforts. The competition was held among them. The teachers enjoyed the event to the fullest.

As the teacher’s round got over, students were also done with fabrication of their Jettoy/Skimmer along with the chart paper and aesthetic model for presentation purpose. Following two hours of rigorous fabrication and testing session, the teams were upbeat about the succeeding track rounds.
Fabrication of Jet-toy:

DELHI REGIONAL OLYMPICS 2017
All the students were relentless and showcased excellent technical and manipulation skills with different nozzle sizes, balloon inflation diameter and many more aspects of the Jettoy for different track rounds such as highest accuracy, maximum distance, maximum speed, maximum time and weight carrying ability. Students performed very well and were prompt and smart enough to deal with all the problems they faced throughout the event.

DELHI REGIONAL OLYMPICS 2017
Similar trends were observed with the teams competing in the skimmer challenge. Students were very excited for the competition. Student design teams changed the shapes and sizes of the sails accordingly for various track events namely, highest speed, turn ability, highest accuracy, maximum distance, maximum speed and weight carrying ability.

All the teams were adept in fabricating and launching their Skimmer for the final track rounds. After this, they made their presentation chart and aesthetic model.
Presentation
While some of the teams were anticipating for their testing rounds, the rest of the teams were busy with the presentation round, where students had to introduce the ideas they would incorporate in the toy and its unique features with the help of a chart and a demo/aesthetic toy. Students had to come up with team name, logo, toy’s name and unique features of the toy. Students devised innovative toys that could fly, run on water which was aided by their creativity and imagination. A distinguished panel of judges judged these toy cars on various parameters.

Student Performances
After the presentation and track rounds, the results compilation started. Meanwhile students showed their exemplary talent on stage by Singing & Dancing

Many students from different schools gave amazing singing performances. One of the student danced & the other performed gymnastics. Audience was overwhelmed to see the performances of the students.
Chief Guest
The Event was graced by Mr. I V Rao, Executive Advisor, Maruti Suzuki India Ltd. & Chairman, Engineering Education Board, SAE INDIA.
He inspired the crowd with his words during his speech.
Giving back to the society
This year AWIM presented a cheque of INR 10,000 to All India Confederation of Blind
Feedback

As said “There is always room for improvement” Feedback was invited from Teachers and Students. Teachers appreciated the event management. The students also enjoyed the competition.

Like the previous years, this year as well we witnessed a successful and a glorious event. And then finally the event reached its dusk and the most awaited time, i.e. the results were announced.
The hard work of more than 200 students, coordination of more than 30 schools and efforts of around 80 volunteers and the indispensable support of Maruti finally paid off well.

**Results:**
Winning teams for AWIM Regional Olympics’17 were as follows:

**JETTOY:**
1. Tagore International School, Vasant Vihar
2. Venkateshwara International School, Dwarka
3. Bal Bharati Public School, Pitampura

**SKIMMER:**
1. Tagore International School, Vasant Vihar
2. Akshya Pratisthan School
3. Mount Carmel School, Dwarka

The winning team’s i.e. First and Second Position holder from Jettoy category and First position holder from Skimmer category will represent Delhi in the nationals that are to be held in Pune in December’2017.
Winning team (Jettoy)
