Dear Madam/ Sir,

Greetings from SAENIS.

We are pleased to invite you and your team to the forthcoming Indian Vehicle Dynamics & ADAS Conference, '**Motion In Control (III)**'.

**Demonstration of Technologies (track events) and Physical Conference will happen at ICAT Test Track in Manesar, Gurgaon between 21st & 22nd Nov 2023 and at GARC Chennai between 30th Nov & 1st Dec 2023 supported by MARUTI SUZUKI, ATS limited, ICAT, GARC besides Technology Partners.**

**Venue: One Event. Two Locations. Refer Brochure.**

**The Past Physical Track Event of MIC II and Conference were well attended by Industry and academia with incredibly positive feedback. The event gave an amazing experience to the participants through various technology demonstrations starting from SIL, HIL, ABS, ESP, Tyres etc.**

With significant focus on Active Safety, this year is a unique opportunity to see practical technology demonstration on track. ADAS validation of different test as per NCAP standard, ESP & Transient Handling Test etc. will be conducted on track using ultramodern instrumentation like Steering Robot, INS System, Stationary and Dynamic Vehicles, Pedestrian & Cyclist targets etc.

**Participants will see live demonstrations and get a feel of the test by sitting in the vehicle along with experts conducting various manoeuvres.**

**The Conference will start with a panel discussion followed by Leaders from various segments of the Automotive Industry from across the world addressing the audience on various current / futuristic technologies that will improve the stability of the Vehicle & active safety.**

For any issues faced please contact undersigned or Mr Nasib Singh (+91 99917 72701 / [sae.nis@gmail.com](mailto:sae.nis@gmail.com))

**Looking forward for your participation. Please share the invitation with your colleagues in the organization.**

**With Regards**

**Amardeep Singh**
