

**“ICAT CONNECT – HYBRID/ELECTRIC RETROFITMENT”**

On

**26<sup>th</sup> July 2019 (10:00 AM – 2:00 PM)**

**International Centre for Automotive Technology (ICAT) (Center-I)**

The objective of the event is to create awareness about the ICAT testing facilities & capabilities with **specific focus on Procedure & Type Approval requirements related to HYBRID/ELECTRIC RETROFITMENT KIT (AIS 123 Part 1, Part 2, Part 3)**. Additionally, it will provide a platform for the kit manufacturers and kit developers to share their ideas, thoughts & experience together. The event will be followed by lunch.

Key highlights of the program would cover the following topics:-

- ICAT Corporate Movie/Brief Presentation
- Online Process for Registration at ICAT (IOCS)
- Emission / Power tests
- Electromagnetic Compatibility (EMC) tests
- Physical Verification tests
- Vehicle dynamic (on road) tests
- Electrical & Electronics related tests
- Component related tests
- Certification Procedure for AIS 123 (Part 1, Part 2 & Part 3)
- Queries / Questions from participants

**We would like to take this opportunity to invite you for the event.**
